

# The Pet Memorial Fund

Pets play an important role in our lives. The Angier Public Library Pet Memorial Fund is a lasting way of remembering a beloved pet. Donations to the Pet Memorial Fund go towards the purchase of books that provide information on all types of animals and pets.

Each book purchase is marked with a special bookplate memorial with the name of the pet, the pet owner and the donor. Letters of acknowledgement are sent to the donor and pet owner. Amount of donation is \$15 minimum.
