CONSTRUCTION

Building homes alongside our partner families and construction staff on Wednesdays, Fridays, Saturdays, and other available work days. No experience necessary to volunteer with Habitat. Volunteers must be 16 or older to work at a job site with 16 and 17 year olds working in a limited capacity. Volunteer job site tasks include framing, roofing, painting, landscaping, and installing siding, windows, doors, flooring and more. We accept volunteers as individuals or groups. Many volunteers come to Habitat as a group through, a church, organization, or school.

CONTACT OUR OFFICE FOR MORE
DETAILS.

The ReStore is a place that sells gently used furniture, appliances, doors, building materials and many other household items that are donated by the community and are tax deductible. Proceeds from the store are a source of funding to build for Habitat locally. You get to meet new people, you help us keep items out of the overflowing landfills and regular volunteers receive a store discount.

By doing jobs that paid staff would normally do, you allow us to give even more money to Habitat to build affordable housing in Harnett County.

Donation Assistant: Work in the receiving area accepting donations directly from drop off donors. The merchandise is then cleaned and taken to the sales floor. Mr/Ms Fix-It (repair volunteers): Repair or touch up furniture and other items that are slightly damaged.

Customer Service Volunteers: Assist customers by helping them find items in the store, measure items if necessary, and carry items to their vehicles. Volunteers: Arrange merchandise displays in creative ways so that they are attractive to shoppers.
